Dear Benefactor,

HAMPER APPEAL 2017

Christmas is around the corner and we are appealing to you once again on behalf of our beneficiaries - patients disabled by leprosy. Over the years we have been able to give each of our beneficiaries quite a substantial gift, thanks to your generosity, and we are aware that they look forward to it.

This year too, we have approximately 300 Beneficiaries to receive hampers at Christmas and Sinhala/Tamil New Year, with each pack consisting of Red Raw Rice (5kg), Sugar (1kg), Mysore Dhall (1kg), Green Gram (1kg), Cow Pea (1kg), Powdered Milk (1kg), Canned Fish (2 x 400g), a packet of Tea (42 x 450g) and a packet of Biscuits (200g); the clothing will be a sarong, chintz (2 ½ mts), bed sheet and towel along with a Bag to contain these items.

We expect the cost of each pack to be around Rs.7,500/-, which would mean that we would require Rs.15,000/- for the 2 Hampers for approximately the 300 Leprosy Affected families at Christmas and Sinhala/Tamil New Year. We therefore appeal to your kind generosity to support us to help these underprivileged people with gift packs during the festive seasons.

If you wish your contribution to be in kind, we would appreciate if you will inform us by 15th October the latest, and have the goods delivered by the 2nd week of November; you are requested to kindly avoid any perishables as the duration of distribution will be over a month. We would like you to please bear in mind that we do not compromise on quality as the recipients might be getting them only twice a year.

May we invite you to please view our website - www.surolsri Lanka.com where some of the hamper distribution photographs are displayed amongst other information of all our activities.

Given below is a 'Remittance Advice' that needs to accompany your contribution for identification and issuance of Receipts; if you prefer to make a direct deposit to our Bank; our account is Surol # 1190028908 with Commercial Bank, Borella Branch, and kindly advise us of such a deposit so that we can send you a receipt.

Once again, whilst thanking you for your continued support towards the less fortunate and marginalized persons under Surol's care, we look forward to your kindness and generosity to help us brighten the lives of these people during the festive seasons of Christmas and Sinhala/Tamil New Year.

May God bless you, for your kindness and generosity.

Yours devotedly,

Rev Fr Neil Dias Karunaratne CSsR
